

GRIZZLY™

EQUIPMENT

380 000 CYCLONE

A hot air dryer will help you get your job started faster. Great to dry off an area after water has been pumped out. Can also be used to clear the surface of light debris, dust, light snow, frost and morning dew and get you back to work.

This machine can blow air forward or to the side.

Can be used with or without burner
Works with vapour propane (BBQ)
Lifting ring
Propane tank support

WEIGHT: 125 LBS

Made in Canada
