411 000 DUAL WHEEL KIT

This dual wheel kit is EASY ON, EASY OFF! This simple option allows the weight of this already light machine to be spread over eight wheels allowing it to work over soft or fragile surfaces with more confidence. Operator is ultimately responsible for working on any surface and must proceed with care.

This kit is comprised of 4 regular wheels #935024, 4 hubs #411001 and 20 wheel nuts.
