HOLMES.

The only gutter protection system endorsed by Home Improvement Professional Mike Holmes

1. Do nothing and let clogged gutters overflow causing devastating damage to your home.
2. Clean the gutters yourself (a dangerous task), or hire someone which will cost more over time than installing a gutter protection system.

OR

3. Install SMART SCREEN® Gutter Protection.

HOLMES.

SMART SCREEN® does more than keep your gutters clear, it strengthens them while providing superior water dispersion.

OUTPERFORMS and **OUTLASTS** systems costing many times more. With coated surfaces, round front edge, and hidden screw edge.

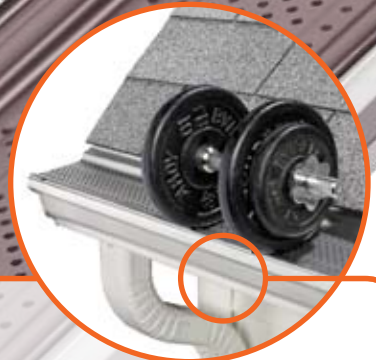

The SMART Gutter Protection System Engineered for Superior Performance

RECESSED FASTENERS provide a clean, virtually invisible installation.

REAR FASTENERS further strengthen your entire gutter system providing added protection against the weight of snow and ice.

HEAVY DUTY, ALL ALUMINUM CONSTRUCTION provides maximum durability.

The only gutter protection system endorsed by Home Improvement Professional Mike Holmes

HOLMES.

ROUNDED SMART EDGE TECHNOLOGY directs water into gutter without trapping leaves, clearing the way for maximum water dispersion.

INSTALLED BY CERTIFIED PROFESSIONALS and fits over 5" & 6" gutters.

**Made with American metal.
Manufactured in Canada.**
