

SMART SCREEN™

The **SMART** Gutter Protection System
Patent Pending

BEFORE

AFTER

OPTIONS

1. Do nothing and let clogged gutters overflow causing devastating damage to your home.
2. Clean the gutters yourself (a dangerous task), or hire someone which will cost more over time than installing a gutter protection system.

OR

3. Install SMART SCREEN™ Gutter Protection.

SMART SCREEN™ does more than keep your gutters clear, it strengthens them while providing superior water dispersion.

OUTPERFORMS and **OUTLASTS** systems costing many times more.

ANATOMY OF THE SMART GUTTER PROTECTION SYSTEM

HEAVY DUTY Construction strengthens your gutters, giving added protection against the weight of snow and ice.

ALL ALUMINUM Construction provides maximum durability.

RECESSED FASTENERS provide a clean, virtually invisible installation.

INSTALLED BY CERTIFIED PROFESSIONALS and fits over 5" & 6" gutters in convenient 6 foot lengths.
